

# Welcome to Cam Can

*At Cam Can, we believe it's all about you*

# Hello!

Welcome to Cam Can. We are a disability organisation that helps people who have been given money from the Government. They call this an *NDIS Plan*.

At Cam Can, we can work together to get the support you need.

- We will respect you.
- We will help you achieve your goals.
- We will give you any information you need.

Please ask us any questions,  
at any time.

Both you and Cam Can must  
be happy before we can  
start giving you the support  
you need.

If you don't want Cam Can,  
that's ok. We will do our  
best to find someone else to  
support you.

If you later decide you don't  
want Cam Can, that's ok  
too. Just let us know as  
early as possible.

Before anyone starts to  
support you, someone from  
Cam Can who is called a

Coordinator will meet with you. The Coordinator will work with you to find people you like to support you with anything important to you. The choice of who supports you is yours. You can change your mind at any time.

After you have met with a Coordinator, we will write down what we discussed on something called an *Agreement*. If you are happy, we both need to sign the *Agreement*. The Agreement will tell you how we hope to achieve your goals, the things we will pay for, and what we ask you to do. If you need more information, just ask your Coordinator.

The most important things you need to know are:

Cam Can will:

- Talk to you about what is important to you.

- Help you live a good life.

- Find good people to support you.

- Help you with anything that goes wrong or anything you are not happy with.

- Keep your information private, unless someone is not safe.

- Answer any questions.

We ask you to:

- Talk to us about what is important to you.
- Tell us as early as possible if you don't want Cam Can to support you anymore.

- Tell us what you are happy and unhappy about.

- Let us know if there is a change to your NDIS plan.

- Treat people who spend time with you nicely.

- Keep yourself and others safe.

If you need someone else to help you, we can help to arrange this for you.
